

# ElixirConf Africa

## Sponsorship Prospectus

“3rd Elixir Conference  
Hosted in Africa”

## Welcome To ElixirConf

Through the years, planning and bringing you the best all-you-can eat buffet of Elixir Talks, workshops and networks, we've grown deep into the community and are now hosting annual ElixirConf Africa events! We appreciate your support and welcome you to yet another post-covid edition! This prospectus targets companies or individuals who are willing to help offset some of the event logistics towards the success of this year's event :)

**May 26th &  
27th 2023  
Virtual**

# Conference Layout

## ! Speaker Talks

Following a schedule, different speakers will present great elixir-related content for our audience

## ☪ Meet The Sponsors

We line up this session just for you. Do you have a job opening or a marketing talk? We'll give you an opportunity to meet our audience. Kindly note, the duration of this session is dependent on the selected package

## ▮ Networking

We have great opportunities for networking and making new friends. Amongst these are games, networking booths & meet the sponsors sessions

## ↑ Job Listings

We'll have a chat booth specifically for job postings and employers interaction
